rience Report

If you were
my husband,
I'd poison your
coffee

If you
were my
wife I'd
drink it

Cross-pollination

pollen grains

1. Pollen from stamens sticks to a bee as it visits a flower to collect food.

2. The bee travels to another plant of the same type.

3. Pollen on the bee sticks to a pistil of a flower on the other plant.

YOU BROKE THE BUILD!

This is Agnes and she's none too pleased with you, Bub. You broke the build. You should have known that you were making breaking changes, but you checked them in anyway.

If you start using continuous integration, Agnes won't have to come back.
